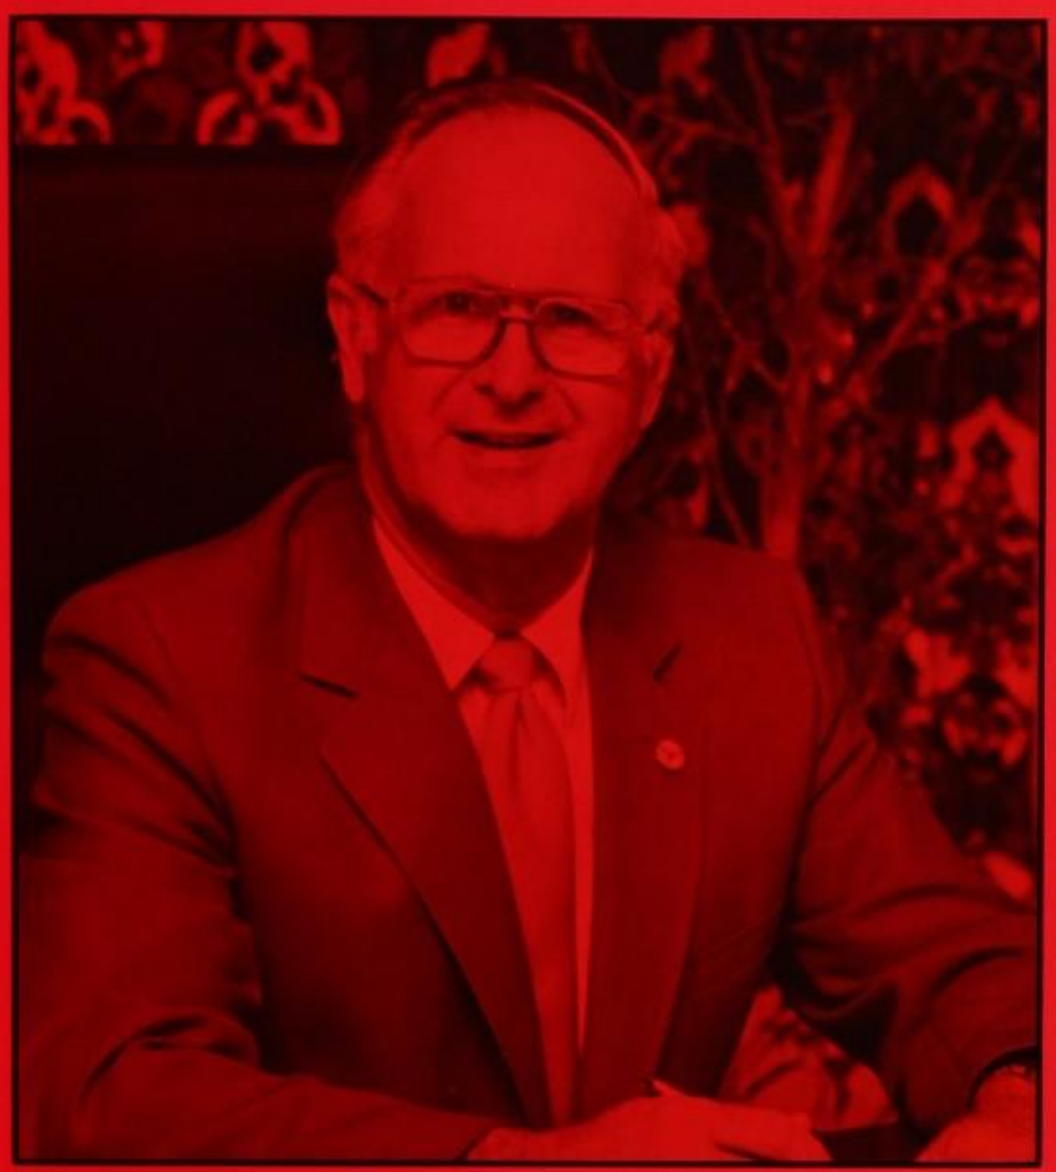
The 1983-84 Yearbook Staff Proudly Dedicates the 1984 PELICAN to

Fred Goodwin and Joe Johnson.

Mr. Fred Goodwin has been on the staff at Bay High school since 1977 when he was appointed assistant principal. In 1979, he was named principal, making him the youngest high school principal in Bay County. Mr. Goodwin graduated from the University of West Florida. He is the father of two little girls — Kim, a second grader, and Tracy, a pre-schooler. He is a sports enthusiast with emphasis on hunting — when he can spare the time.



Both Mr. Goodwin and Mr. Johnson are dedicated to their positions and Bay High School. They are helpful to our school and to each individual student and faculty member. We would like to thank both for their hard work and dedication to us with the dedication of the 1984 PELICAN. Thanks so much for everything, Mr. G. and Mr. J.

Mr. Joe Johnson has been assistant principal at Bay High for the past five years. He is a graduate of Samford University in Birmingham, Alabama. He is the father of Joe Jr. and David — both former graduates of Bay High School. Mr. Johnson has many interests, including his church, Wallace Memorial Presbyterian, and following "BAMA" athletics.

CAMPUS LIFE

Campus Life to many is the time we spend between classes and before school. We did everything we could before the bell. However, to others campus life stands for anything relating to the campus. Every picture tells a story of the memories we'll keep forever, the joy, the happiness and the excitement.

Many people don't realize all the work that is put into being a Bay High Cheerleader. Along with the football players they have numerous practices that are very time consuming. So, the next time you attend a Bay High football game and see those guys out there running all over the field, don't forget to notice all the cheerleaders. Their hard work and dedication should be appreciated.

Jill,
It's been great having you in second period. We did quite well on vocab tests, I wonder why! Have a great summer. I'm not going to say keep in touch because I'll probably see you every weekend usually during the summer at the strip. Bless your little heart. Love, John (Duc)

The 1983-84 Lunchroom Staff proudly presents the following poem to BHS as their recipe of life:

My Recipe

I have a recipe for life,
The best one that I know;
I guarantee the end result . . .
T'was taught me long ago!

You start by mixing just a dash
Of humor with the day,
And then you add a cherry smile
As you go on your way.

Love's never out of season
So you add a large amount,
And I never measure sympathy;
You don't with things that count.

Toss in a bit of effort
And a lot of nerve and grit,
And hope makes all the difference,
For a thing improves with it.

You stir a bit of kindness in,
Along with patience, too,
And flavor it with gentleness
Whatever you may do.

And when the sun is setting,
you'll look back in joy to see
A worthwhile product of your toil
. . . Within my recipe!
Grace E. Easley

Well I have to go now and I hope to see you on the strip or at some party. Good luck next year. (I wish I could there.. HA. HA. HA.)

Jill Ann,

Gosh can you believe this year is practically over? Within less than a week we'll be those SENIORS we used to only dream about being. I'm glad we've finally made it and that we have stuck together over all these years. Next year will be a blast and we'll show those "baby tornadoes" who rule! It was great having you in a class again. I wish it couldve been more. Maybe next year... we'll have to keep the tradition going. Remember that time I left your bra on your desk in English. It was kinda cruel but funny as ---- (there were a lot of silent treatments... I know we've gotten along to well this year; Sweetie I want to be honest... I'm sorry for anything I've done to many) but I thank you for being such a sweet person... and being there (when we've been to me (there were a lot of silent treatments... I know we've gotten along to well this year; Sweetie I want to be honest... I'm sorry for anything I've done to many) but I thank you for being such a sweet person... and being there (when we've been to me I'll never forget how good you're at keeping our friendship and I'll never trade our friendship for anything. I want you to know that if there is ever someone to go PARTYING with or if you just need someone to talk to or even someone to call. I'm always here for you or if you just need someone to talk to or even someone to call. I'm always here for you no matter what. What are friends for right? Don't it funny how things change? I remember when we were speaking in 7th, 8th (9th) I'll never forget how good you're at keeping our friendship and I'll never trade our friendship for anything. I want you to know that if there is ever someone to go PARTYING with or if you just need someone to talk to or even someone to call. I'm always here for you no matter what. EDITORS' MESSAGE

Tornado winds have swept through this school year and brought it to its close. As quickly as a Tornado sweeps over a scene, many times changing lives and circumstances, our Senior year has rushed by, bringing an end to our high school years, and ushering in new experiences for each of us. At times there were dark skies, but most often, sunny weather prevailed. Just as the weather has its "ups and downs", the same has been true in the creating of the 1984 PELICAN.

In the creating of our '84 PELICAN, the theme has been carried out graphically, rather than verbally. Since the area in which we live is such an important backdrop to our life style, the scenes that are so much a part of us are frequently overlooked. As a "pelican" leaves it imprint in the sand, we are printing a pictorial memory to remind us of how lucky we are to be a part of Bay High School.

Our PELICAN of 1984 would not have been possible without the hardwork and dedication of the Pelican Staff. Although the yearbook staff worked day by day to create this memory, many others deserve special tribute. I would like to personally thank Mrs. Sandra Blount, who has helped me tremendously throughout the year. Mr. Goodwin, Mr. Johnson, and Mrs. Burch have provided us with moral support and encouragement and backed us 100%!! The never ceasing help of the office staff, especially Mrs. Murphy and Mrs. Rountree is so very much appreciated. I would also like thank each of my teachers, Mrs. Kracke, Mrs. M. Thompson, Mrs. McKelvin, Mrs. Pardue, Mrs. Bailey, and Mr. Pepmiller for their support. Another thanks goes to Patty Brown, a great friend and co-editor and to "Mama" Kelley, who has been patient with me and the rest of the staff. Enough cannot be said about those two. A special thanks is deserved by my parents, Mr. and Mrs. Stephen G. Cullen, Jr. I love them both very much. Without these people, there just might not have been an '84 Pelican!!

Paige Cullen

Paige Cullen

As we put the '84 PELICAN "to bed", I look back at this past year with feelings of relief as well as feelings of sorrow, because the "job" is over. It has been a year I will never forget, from selecting a TERRIFIC Staff to putting together a yearbook we can take pride in saying "This is from the Staff of '84".

In deciding this year's theme we wanted to select something that would pertain to our area. What could be better than boats, pelicans, sunsets . . . in other words, the beach scene. Although this year has not been, in the least bit, smooth sailing we made it through the long storm with the blue flag flying . . . all calm. Needless to say this task was not accomplished by one or two people but by all those who contributed time and effort to make this yearbook the best ever!! These special people deserve all the credit, so I would like to take this opportunity to thank all who made the seas much smoother on the long voyage: Ms Anna Kelley, who kept her hand always on the wheel guiding each of us. Needless to say without her I would have never made it through this year (Thanks, Anna Baby Mama Kelley!!); Paige Cullen, a great friend who put up with all my nagging and never got too upset about doing my share of the copy (don't forget the time at St. Andrews Marina taking pictures); the fantastic Staff, who never really got too angry at me and put up with me always demanding pages to be turned in; all my teachers: Mr. Toole, Mrs. McKelvin, Mr. Day, Mrs. Pardue, and Mrs. Epps, for allowing me to get out of class whenever I needed; the office staff; Mrs. Burch; Mrs. Callaham; Mr. Johnson; Mr. Goodwin; a special thanks to Mrs. Cynthia McCauley, for all the support; and last but certainly not least; my parents, Mr. and Mrs. John H. Brown for all their love and support throughout this past year.

Well, to sum it all up, this year has been quite an experience — a year I will never forget. I hope that each of you enjoy the '84 PELICAN as much as I have enjoyed working to help put it all together. Always remember, you got more from the year of '84!
